

**VICTORY
CENTRE**

Victory Centre partners with your funeral home to deliver an outstanding, stress-free, heartfelt service that honours your family.

From coffee and catering, to music and graphics, we offer customised packages specific to your family.

CATERING

Victory Centre provides generous catering packages that can be customised to suit your needs, tastes, and size. We offer these at much lower rates compared to other venues. All dietary requirements can be catered for at no substitute for taste. We also have an on-site barista offering a large variety of hot and cold beverages before and after the service.

- On-site playground for children to enjoy
- Choice of outdoor alfresco area for pre/post service

LIVE STREAM/MEDIA

- High-quality live streaming from multiple angles is available for all services
- The family receives a copy of the service on a keepsake USB immediately after the service.
- Equipped for live music
- Personalised screen designs
- Video/photo montage creation (please speak to your Funeral Director)
- Spotify music playlists available

“

I am so grateful I was told about Victory Centre. The service would not have been the same anywhere else. So many friends and family watching commented on how professional everything was and we felt nothing but cared for and welcome throughout all of our interactions.
